

Directorate of Town and Country Planning Haryana

Sector-18A; Madhya Marg, Chandigarh | Email: tcpharyana7@gmail.com

Subject: *Inviting of objections & suggestions on proposed amendments in Haryana Building Code, 2017.*

Public Notice: MISC-2339-ULB-Vol. I/41335

Dated: 29.10.2025

PUBLIC NOTICE

Certain amendments in the Haryana Building Code, 2017, as mentioned below have been approved by the Government. While hosting on the website of the Department, the objections/ suggestions on the said amendments are invited from the general public and all stake holders. These may be forwarded through Email to the following within a period of 30 days of the issuance of this public notice i.e. upto 28.11.2025:-

1. DTCP, Haryana, Chandigarh: tcpharyana7@gmail.com.
2. Assistant Town Planner, HQ: atp.hqraman1.tcp@gmail.com.

DRAFT AMENDMENTS IN HARYANA BUILDING CODE, 2017.

A. The following note shall be inserted below table at Sub-code (1) of Code 7.4 of HBC-2017:-

“Note: In case of EWS units, the minimum sizes of bathroom, water closet, and combined bathroom & water closet shall be as follows :-

- a) The size of independent water-closet shall be 0.90 m² with minimum width of 0.9 m;*
- b) The size of independent bathroom shall be 1.20 m² with a minimum width of 1.0 m; and*
- c) The size of combined bath room and water-closet shall be 1.80 m² with minimum width of 1.0 m.”*

B. The existing Sub-code (8) of Code 12.1 in HBC-2017 regarding non requirement of issuance of Environment Clearance in case of GRIHA certified buildings shall be omitted.

C. The clause c of note to Sub-code 6.3(3)(ii), (iii) and (iv) of HBC-2017 shall be substituted as follows:-

“c. The facility of enhanced FAR upto 150% beyond the General level of 125% in industrial use shall be permissible on payment of proportionate charges/ infrastructure strengthening charges i.e. proportionate EDC & conversion charges at

existing rates. This shall apply only to existing buildings i.e. cases where permission was granted before 30.06.2016.

Provided that in case of general industries, purchasable FAR beyond 150% upto maximum permissible limit of 200% shall be allowed upon payment of rates as prescribed by the Government.”

D. The clause d of note to Sub-code 6.3(3)(ii), (iii) and (iv) of HBC-2017 shall be substituted as follows: -

“d. The facility of enhanced FAR of 25% beyond the General level of 150% in resorts, five star hotels, motels (with/without banquet hall facilities) shall be permissible on payment of proportionate charges/ infrastructure strengthening charges i.e. proportionate EDC & conversion charges at existing rates. This shall apply only to existing buildings i.e. cases where permission was granted before 30.06.2016 and zoning plan stood approved with FAR upto 150%.”

E. The clause e of note to Sub-code 6.3(3)(ii), (iii) and (iv) of HBC-2017 shall be substituted as follows: -

“e. The facility of enhanced FAR of 50% beyond the general level of 100% in institutional and educational use shall be permissible subject to payment of proportionate EDC & conversion charges at existing rates (in the form of augmentation charges) for the cases where permission was granted before 30.06.2016 and zoning plan stood approved with FAR of 100%. However, no such payment is required for such buildings where permission was granted by competent authority on or after 30.06.2016.”

F. The existing clause (ii) of Sub-code 6.3(3) of HBC-2017 shall be substituted with the following:-

(ii) Commercial

Sr. no.	Type of building	Area norm	Maximum permissible Ground Coverage	Permissible Basement	Maximum permissible Floor Area Ratio (FAR)	Maximum permissible Height
1	Shop-cum-Flat (SCF) or Shop-cum-Office (SCO) or Shop-cum-Office-cum-Flat (SCOF) or Double Storey Shop (DSS) purposes or for shopping booths	Unrestricted	As per the Architectural Control Sheets			
2	Commercial colony: includes shopping mall, multiplex, Departmental store, Integrated commercial Complex, Service Apartment, starred Hotel/ Unstarred Hotel, offices.	Unrestricted	Unrestricted (subject to fulfilment of requirement of setbacks for fire services, light & ventilation ; parking/ open	Unrestricted	175 %	Unrestricted

Sr. no.	Type of building	Area norm	Maximum permissible Ground Coverage	Permissible Basement	Maximum permissible Floor Area Ratio (FAR)	Maximum permissible Height
			<i>space norms and adhering to maximum permissible FAR)</i>			
3	<i>Dhabas</i>	<i>1000 square metres to 1 acres</i>	<i>Unrestricted (subject to fulfilment of requirement of setbacks for fire services, light & ventilation ; parking/ open space norms and maximum permissible FAR)</i>	<i>Unrestricted</i>	<i>40 % (maximum 50 sqm for kiosks like STD, Books, Cassettes, CDs etc.)</i>	<i>5 metres</i>

4.	Information Technology/ Information Technology Enable Services	Unrestricted (subject to fulfilment of requirement of setbacks for fire services, light & ventilation ; parking/ open space norms and maximum permissible FAR)				
5.	Information Technology Park, Cyber Park, Cyber City, Technology Park	40%	Unrestricted	250 %	Unrestricted	Subject to condition that the plot must be located on roads with a

Sr. No.	Type of Industry	Maximum Ground Coverage	Permissible Basement	Maximum Permissible Floor Area Ratio	Maximum Permissible Height	Remarks
						<i>Right Of Way of 30 metres and above.</i>
6.	<i>Date Centre Industry</i>	60%	<i>Unrestricted</i>	500%	<i>Unrestricted There will be no restriction on floor to ceiling height subject to there being no mezzanine floor and compliance with structural and fire safety regulations."</i>	

H. The following clauses g, h, i, j & k shall be inserted after clause f in Note for Sub-code 6.3(3)(ii), (iii) and (iv):

“g. The setbacks of Industrial plots (excluding IT/ITes Industrial plots) to be developed by HSIIDC/HSVP/any other development agency/ licensed colonies shall be as follows:

Size of Industrial Plot	Front setback (in metres)	Rear Setback (in metres)	Side Setback (in metres)
<i>Upto 500 sqm</i>	3	3	<i>Nil</i>
<i>More than 500 sqm upto 1000 sqm</i>	5	5	<i>3 (on either side)</i>
<i>More than 1000 sqm upto 2000 sqm</i>	6	6	<i>3 (on both sides)</i>
<i>Above 2000 sqm</i>	6	6	<i>6 (on both sides)</i>

h. For all other industrial sites (other than industrial plots as specified at clause g above) as well as commercial sites, the setbacks as mentioned at Sub-Code 7.11(5) shall be applicable.

i. In case of industrial and commercial units falling under the category of special buildings as per The Haryana Fire and Emergency Services Act, 2022, the provisions laid down in Act ibid shall be strictly followed and all stipulations specified by competent authority shall be adhered to.

j. In industrial plots/sites, a maximum of 10% FAR shall be allowed for Industrial/Labour Housing component in the form of dormitories for industrial workers only, which shall not be allowed to be sold independently.”

I. The existing Code 4.10 shall be substituted with the following:-

“4.10 Occupation Certificate through 3rd Party Certification (for High Risk category)”

- (1) *Every person who intends to occupy such a building or part thereof shall apply for the grant of occupation certificate in Form BRS (TP)-III to Empanelled Architect under 3rd party certification (having minimum 5 years of experience) , which shall be accompanied by Completion certificates in relevant Form BRS-IV duly signed by the Architect and the Engineer Supervising Construction at Site and along with following documents:*
 - (i) *Detail of compoundable violations from the approved building plans, if any in the building, jointly signed by the owner, Architect and Engineer Supervising Construction at Site along with documentary evidence regarding due payment for composition charges of such violations at the rates determined by the Competent Authority shall be submitted along with Form BRS(TP)-III.*
 - (ii) *Complete Completion drawings or as-built drawings along with completion certificate from Architect as per Form BRS-VI.*
 - (iii) *Photographs of front, side, rear setbacks, front and rear elevation of the building shall be submitted along with photographs of essential areas like cut outs and shafts from the roof top. An un-editable compact disc/ DVD/ any other electronic media containing all photographs shall also be submitted.*
 - (iv) *Completion certificate from Bureau of Energy Efficiency (BEE) Certified Energy Auditor for installation of Rooftop Solar Photo Voltaic Power Plant in accordance to orders/ policies issued by the Renewable Energy Department from time to time.*
 - (v) *Completion Certificate from HAREDA or Bureau of Energy Efficiency (BEE) Certified Energy Auditor for constructing building in accordance to the provision of ECBC, wherever applicable.*
 - (vi) *No Objection Certificate (NOC) of fire safety of building from concerned Chief Fire Officer or an officer authorized for the purpose.*
 - (vii) *A certification from Third Party empanelled Structural Engineer and Proof Consultant (wherever applicable) (other than the Structural Engineer/Proof Consultant involved in designing, construction and supervision of the building) in Form BRS-IVA that the building has been inspected in all respect and no provision of the Haryana Building Code, 2017 and structural safety codes/standards has been violated excluding compoundable violations.*
 - (viii) *No Dues Certificate issued by Competent Authority specifying that there are no outstanding dues against the proponent in the project as well as documentary evidence regarding validity of the permission.*
- (2) *No owner/ applicant shall occupy or allow any other person to occupy new building or part of a new building or any portion whatsoever, until such building or part thereof has been certified by the Empanelled Architect under 3rd party certification (having minimum 5 years of experience) as having been completed in accordance with the permission granted and an ‘Occupation Certificate’ has been issued in Form BRS-VII certifying that the construction raised at site has been duly inspected by 3rd party technical persons and found to be in order as per sanctioned building plans as well as provisions of this code. Composition charges of compoundable violations shall be deposited before issuance of Form BRS-VII. Further, the water, sewer and electricity connection be released only after issuance of said occupation certificate by the Empanelled Architect under 3rd party certification (having minimum 5 years of experience).*

Provided, if any violation found within time prescribed above during inspection, which is not listed in compoundable violations stated at Code 4.10(1)(i), then the violation be compounded (or demolished if it is non-compoundable), as per composition charges prescribed by the Competent Authority.

- (3) The 'Occupation Certificate' shall be issued on the basis of parameters mentioned below:-

(a) For Inland Container Depot (ICD) minimum area for considering approval of grant of occupation certificate shall be 2.5% of the permissible ground coverage.

(b) For other buildings, the minimum area norm for grant of occupation certificate shall be as under:-

Sr. No.	Area of site	Minimum area required for approval of building plan and grant of occupation certificate.
1	Upto 1 acre	25% of permitted coverage on all floors i.e. total permissible FAR.
2	Above 1 acre and upto 5 acres	20% of permitted coverage on all floors i.e. total permissible FAR.
3	Above 5 acres and upto 10 acres	15% of permitted coverage on all floors i.e. total permissible FAR.
4	Above 10 acres	10% of permitted coverage on all floors i.e. total permissible FAR.

Note: -The area to be constructed in all types of cases under category (i) (a), (b) and (c) above can be achieved either at ground floor or at subsequent floors.”

(ii) The debris and rubbish consequent upon the construction has been cleared from the site and its surroundings.

After receipt of application, the Empanelled Architect under 3rd party certification (having minimum 5 years of experience) shall communicate in writing within eighteen days, the decision for grant/ refusal of such permission for occupation of the building in Form BRS-VII. The E-register shall be maintained as specified in Code-4.8 for maintaining record in respect of Occupation Certificate. The Empanelled Architect under 3rd party certification (having minimum 5 years of experience), before grant of occupation certificate in Form BRS-VII shall also duly confirm that the permission is valid and the project proponent has cleared all the outstanding dues of the competent authority. In case anything contrary is found at a later stage in respect of non validity of permission and/ or outstanding dues, then heavy penalties shall be imposed, including but not limited to action against project proponent and all technical persons involved in grant of Occupation Certificate.

- (4) If no communication is received from the Empanelled Architect under 3rd party certification (having minimum 5 years of experience) within 18 days of submitting the application for grant of "Occupation Certificate", then the application shall be decided by the Competent Authority within a period of further 18 days upon receipt of application.

The competent authority shall also take action against the Empanelled Architect under 3rd party certification (having minimum 5 years of experience) for in-action on the application for grant of Occupation Certificate submitted under 3rd party certification.

- (5) If the owner or Architect or Engineer or Consultant as mentioned in Code 4.10(1)(i), (iv) and (v) as the case may be, submits a wrong report while making

application under this Code or if any additional construction or violation is reported to exist at site or has concealed any fact or mis-represented regarding completion of construction of building along with its eligibility for seeking occupation certificate or before the completion of such report or the 3rd party technical person(s) furnish incorrect certificate regarding inspection and conformity to applicable law, he shall be jointly and severally held responsible for such omission and complaint against the Architect for suspension of his registration and the owner shall be liable to pay for the penalty as may be decided by the competent authority after giving an opportunity of hearing. Further, if it is emerged that the information is concealed by Engineer/ Architect/ Consultant/ Owner/3rd Party entities, necessary penal proceedings will be initiated along with debarring Engineer/ Consultant/ Architect/ 3rd party entities from practicing in the State of Haryana.

- (6) The cases where building plans have been approved under The Haryana Scheduled Roads & Controlled Areas Restriction of Unregulated Development Rules, 1965 i.e. prior to implementation of Building Code, and their applications for Occupation Certificates are being considered now as per Building Code, 2017, in such cases building plans should be considered as deemed approved as per the provisions of Haryana Building Code, 2017, subject to payment of composition charges.”

J. The existing Form BR-IV(A) shall be omitted and Form BR-IV(B) shall be substituted with the following:-

“FORM -BRS(TP)-III

[see Code 4.10(1)]

**For all High Risk Category Buildings
Application for permission to occupy**

.....

Sir,

I/We hereby give you notice that the building/part of building described below and sanctioned vide order No. _____, dated _____, has been completed on _____ in all respect according to the sanctioned plans and the structural design made for the same and suggested medications have been carried out.

Description of Building

Plot No. _____, Sector _____, Colony _____
City/Town _____.(or)
Khasra no. _____, Village _____

1. Name of the owner alongwith mob.No _____ and E-mail _____.
Complete address of the owner _____ .
2. The modifications made to the building plans and carried out at site during the course of construction are submitted herewith:

3. Corresponding to the above modifications made in the building plans, the necessary amendments were also carried out in the structural design and implemented a site.
4. Completion certificate from the architect/empanelled engineer who supervised the construction of the building is submitted herewith.
5. The following documents are also duly enclosed with the application:-
 - i. Detail of compoundable violations from the approved building plans, if any in the building, jointly signed by the owner, Architect and Engineer Supervising Construction at Site along with documentary evidence regarding due payment for composition charges of such violations at the rates determined by the Competent Authority shall be submitted along with Form BRS(TP)-III.
 - ii. Complete Completion drawings or as-built drawings along with completion certificate from Architect as per BRS-VI.
 - iii. Photographs of front, side, rear setbacks, front and rear elevation of the building shall be submitted along with photographs of essential areas like cut outs and shafts from the roof top. An un-editable compact disc/ DVD/ any other electronic media containing all photographs shall also be submitted.
 - iv. Completion certificate from Bureau of Energy Efficiency (BEE) Certified Energy Auditor for installation of Rooftop Solar Photo Voltaic Power Plant in accordance to orders/ policies issued by the Renewable Energy Department from time to time.
 - v. Completion Certificate from HAREDA or Bureau of Energy Efficiency (BEE) Certified Energy Auditor for constructing building in accordance to the provision of ECBC, wherever applicable.
 - vi. No Objection Certificate (NOC) of fire safety of building from concerned Chief Fire Officer or an officer authorized for the purpose.
 - vii. A certification from Third Party empanelled Structural Engineer and Proof Consultant (wherever applicable) (other than the Structural Engineer/Proof Consultant involved in designing, construction and supervision of the building) in Form BRS-IVA that the building has been inspected in all respect and no provision of the Haryana Building Code, 2017 and structural safety codes/ standards has been violated excluding compoundable violations.
 - viii. No Dues Certificate issued by Competent Authority specifying that there are no outstanding dues against the proponent in the project as well as documentary evidence regarding validity of the permission.
6. Kindly issue an occupation certificate as required by Haryana Building Code -2017.

N. The existing Forms BR-V(1) & BR-V(2) shall be omitted.

O. The existing Form BR-VI shall be renamed as BRS-VI.

P. The existing clause 2 of Code 5.1-Risk Based classification of building applications shall be substituted with the following:-

“(2) The buildings are categorized in two risk categories:

- (i) Low Risk: Low Risk category includes Residential Plotted (all sizes and upto 16.5 meters height) and industrial buildings of all sizes and height upto 30 mtr only (excluding Information Technology Unit, Information Technology Enabled Services Unit, Information Technology/Cyber Park, Information Technology/Cyber City).

(ii) High Risk: High Risk category consists of buildings other than buildings stated above at (i).”

B. The existing clause 4 of code 5.1 shall be omitted. Also, the references of moderate risk categorisation under self-certification, wherever occurring in the code, shall be considered to have been omitted.

C. The existing clause 5 of code 5.1 shall be renumbered as clause 4 upon omission of existing clause 4.”

Q. The existing Code 4.11 shall be substituted as follows: -

“4.11 Occupation Certificate through Self Certification (Low risk category)

(1) The owner who had applied under Code 2.2 and having building under Low Risk Category defined in Code 5.2(i), shall submit an application to Architect (under self-certification) for grant of occupation certificate on Form BRS-III and along with completion drawings, Completion Certificate on Form BRS-IV and along with the following documents: -

(i) Details of compoundable violations from the approved building plans, if any in the building, jointly signed by the owner, Architect and Structural Engineer, along with demand draft of the due payment for composition charges of such violations at the rates determined by the Competent Authority shall be submitted along with Form BRS-III.

(ii) Both the Owner and Architect shall give a self-certification as Form BRS-IV that no provision of the Haryana Building Code, 2017 has been violated excluding compoundable violations.

(iii) Photographs of front, side, rear setbacks, front and rear elevation of the building shall be submitted along with photographs of essential areas like cut outs and shafts from the roof top. An uneditable compact disc/ DVD containing all photographs shall also be submitted.

(iv) No Dues Certificate issued by Competent Authority specifying that there are no outstanding dues against the applicant as well as documentary evidence regarding validity of the permission.

(2) The Architect (under self-certification) shall issue an occupation certificate in Form BRS-V after ensuring receipt of the Form BRS-III duly complete in all respect and accompanied with the required completion drawings forms and affidavits. The occupation certificate shall be issued provided that the documents submitted along with Form BRS-IV, fire safety certificate from Fire & Emergency Services Haryana, public health etc. point of view (in case of industrial plots), composition fee/ labour cess/ any other applicable charges, to be deposited are in order:

(3) Violations, if found by the competent authority at any subsequent stage, shall result in cancellation of the occupation certificate issued and the same shall be restored only after removal of violations. Further, action against the Architect shall also be taken for furnishing a wrong certificate/ affidavit.

(4) No person shall occupy or allow any other person to occupy any other person to occupy any new building or a part thereof for any purpose whatsoever until such building or a part thereof has been certified by the Architect (under self-certification) as having been completed and an occupation certificate has been issued in his favour in Form BRS-V within the above-mentioned period. However, minimum percentage of permissible covered area (for industrial plotted colony only) as mentioned below shall have to be constructed to obtain occupation certificate or as decided by the competent authority, by recording reasons in writing: -

Sr. no.	Area of site	Percentage of permissible covered area
1	Upto 2 acre	25%
2	Above 2-acre upto 5 acres	20%
3	Above 5 acres & upto 10 acres	15%
4	Above 10 acres	10%”

In addition to above, for residential plots, minimum 25% of the total permissible ground coverage, shall be essential to be constructed to obtain occupation certificate, wherein one habitable room, a kitchen and a toilet forming part of submitted building plan is completed.

(5) No occupation certificate shall be issued unless debris and rubbish consequent upon the construction has been cleared from the site and its surroundings.

R. Existing Form BRS-V shall be substituted as follows: -

“FORM BRS-V
